CUSTOM PORTFOLIO-SOLUTIONS GLOBAL MANAGERS TRUST

Investment Managers List as at 29 September 2017

The investment managers selected to manage the assets of the Fund are listed below. The Fund's assets may be managed directly by a selected investment manager, or indirectly through a pooled investment vehicle managed by a selected manager that provides exposure to international shares.

Investment Manager	Investment Approach	About the Investment Manager
AQR Capital Management, LLC ("AQR")	AQR manages a diversified portfolio of shares listed on stock exchanges predominantly in developed markets, using quantitative analysis to select investments. AQR uses an investment strategy that seeks to capture returns through active stock selection, risk management and diversification.	Founded in 1998, AQR is a U.S. based investment manager with US\$195 billion in assets under management and over 800 staff as at 30 June 2017. Three of the four founding principals previously comprised the senior management of the Quantitative Research Group at Goldman Sachs Asset Management.
LSV Asset Management ("LSV")	LSV manages a concentrated portfolio of global developed and emerging markets stocks using quantitative techniques to select individual securities in a risk-controlled, bottom-up approach.	Formed in 1994, LSV is a quantitative value equity manager providing active management for institutional investors through the application of proprietary investment models. As at 30 June 2017 it had approximately US\$105 billion in assets under management.
FDO Partners, LLC ("FDO")	FDO manages a currency overlay program with the objective of managing the currency risk associated with the Fund's underlying portfolio of international equities. The extent of currency hedging, if any, may vary from time to time.	FDO is a U.S. based investment management firm. Founded in 1997, the company serves institutional investors around the world. As at 31 March 2017 it had approximately US\$3 billion in assets under management.

The Responsible Entity may add or remove an investment manager from time to time. The above list will be updated to reflect any change.

The investment managers have consented to being named in the List and to statements about them being included based on information they have provided, in the form and context in which they have been included. Such consents have not been withdrawn before the date of this List.
